Initial Issued Date	14 February 2019	Revised On	31 March 2023
TITLE	Guide to Using the PIDM Industry Portal ("MI User Guide") System Access & MI User Maintenance		

SECTION 1: INTRODUCTION

- 1.1 Perbadanan Insurans Deposit Malaysia ("PIDM") Industry Portal provides member institutions ("MIs") with a more secure and efficient platform for online regulatory submissions of confidential information to PIDM as well as reduces the administrative burden to MIs. It provides a secure platform for the transmission of data and documents in large volumes from MIs to PIDM.
- 1.2 The purpose of this user manual is to provide a step-by-step guide to assist the MIs in using the PIDM Industry Portal for the purpose of regulatory submission to PIDM.
- 1.3 Please note that the screenshots provided in this user manual are for illustration purposes only.
- 1.4 A reference to a statute or other law includes regulations and other instruments under it and consolidations, amendments, re-enactments or replacements of any of them.
- 1.5 This user manual shall come into effect on 24 November 2022 and supersede the *Guide to Using the PIDM Industry Portal ("MI User Guide") System Access & MI User Maintenance* dated 31 January 2022. A summary of changes made are as follows:
- (a) Updated PIDM Industry Portal and PIDM eBox IP Address
 - (b) Updated supported internet browser from Internet Explorer to Microsoft Edge
- 1.6 All enquiries related to this user manual may be directed to:

Telephone: 1-800-88-1266
Email: industryportalinfo@pidm.gov.my

SECTION 2: SYSTEM ACCESS PRE-REQUISITES CHECKLIST

Software and Hardware Requirements

2.1 Minimum requirements for software and hardware:

- (a) Operating System is Windows 10 (version 1803)
- (b) Internet browser is Microsoft Edge or Google Chrome
- (c) Power settings set to performance mode / timers off / never sleep
- (d) CPU Processor : Intel i5 and above
- (e) RAM Size : 8GB and above
- (f) Ethernet network interface card
- (g) Must be connected to the internet

2.2 Internet requirements:

- (a) Recommended upload speed is 10Mbps
- (b) Add <https://industryportal.pidm.gov.my> to trusted sites
- (c) Add <https://ebox.pidm.gov.my> to trusted sites
- (d) Check outgoing fixed public internet protocol (IP) to be exactly the same as you have provided to PIDM for whitelisting purposes

2.3 Data:

- (a) Check internal compliance policies to ensure that the data transmission does not violate any Data Leak Protection policies you may have within your institution
- (b) Check that <https://industryportal.pidm.gov.my> and <https://ebox.pidm.gov.my> are not blocked by your institution's antivirus program

2.4 Firewall:

- (a) Windows firewall allows <https://industryportal.pidm.gov.my> and <https://ebox.pidm.gov.my> on port 443

SECTION 3: DEFINITIONS

3.1 For the purposes of this MI User Guide —

"MI" means a member institution as defined in the PIDM Act;

"MIALO" means any person nominated by an MI as the Member Institution Administrative Liaison Officer for the purposes of performing the roles and responsibilities in accordance with the user manual issued by PIDM for the access or use of the PIDM Industry Portal and the PIDM e-Box as the MIALO;

"MIPLO" means any person nominated by an MI as the Member Institution Primary Liaison Officer for the purposes of performing the roles and responsibilities in accordance with the user manual issued by PIDM for the access or use of the PIDM Industry Portal and the PIDM e-Box as the MIPLO;

"MIOfficer" means any person nominated by an MI as the Member Institution Officer for the purposes of performing the roles and responsibilities in accordance with the user manual issued by PIDM for the access or use of the PIDM Industry Portal and the PIDM e-Box as the MIOfficer;

"PIDM Act" means the Malaysia Deposit Insurance Corporation Act 2011;

"PIDM Industry Portal" means PIDM's online portal that enables submissions of information and documents (including any letter, report, form, returns, brochure, term sheet, contract terms and conditions and action plan) by the MIs to PIDM, as required by PIDM from time to time;

"PIDM e-Box" means the secured channel that is integrated to the PIDM Industry Portal and uses a 2-tier authentication for the transmission of large and confidential data from the MIs to PIDM;

"PIDM" means Perbadanan Insurans Deposit Malaysia; and

"User" means any person nominated by an MI to access or use the PIDM Industry Portal or the PIDM e-Box, including the MIALO.

SECTION 6: MI USER MAINTENANCE

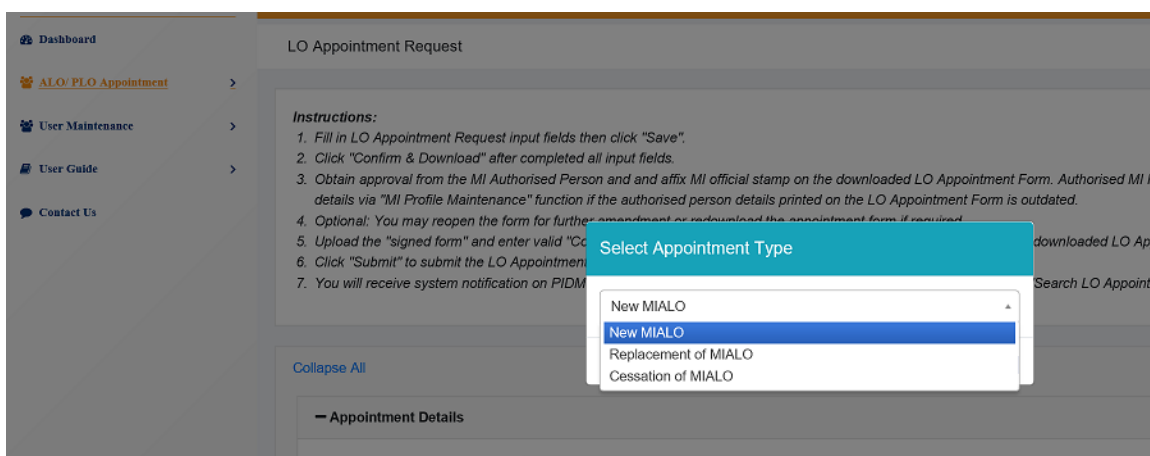

6.1 Create New MIALO & MIPLO

Step 1: To create a new MIALO or MIPLO appointment request, go to "ALO/ PLO Appointment" menu. Then select "MIALO Appointment" or "MIPLO Appointment".

The screenshot shows the PIDM Industry Portal interface. On the left sidebar, the 'ALO/ PLO Appointment' menu is expanded, and 'MIALO Appointment' and 'MIPLO Appointment' are highlighted with a red dashed circle. The main content area shows a 'Search LO Appointment' form with fields for 'Reference No.', 'Appointment Type', and 'Submitted Date From'. There are 'Reset' and 'Search' buttons at the bottom right.

The screen will prompt as below. Select "New MIALO" or "New MIPLO".

The screenshot shows the 'LO Appointment Request' form. A dropdown menu titled 'Select Appointment Type' is open, showing options: 'New MIALO', 'New MIPLO', 'Replacement of MIALO', and 'Cessation of MIALO'. The 'New MIPLO' option is highlighted. The background shows the 'Instructions' section of the form.

System will perform MIALO/MIPLO headcount threshold validation. If the current MI's headcount had reached the maximum number of MIALO/MIPLO, an error message will appear. You will have to create a replacement of MIALO/MIPLO instead (please refer to Section 6.2).

6.8 Deactivate MI Officer

Step 1: User may search for a specific MI User record to be deactivated by using the "MI Users" menu. Refer to section 6.6.

Step 2: Update the "User Status" to Inactive, and then click "Submit". The inactive MI Officer access to IPS will be disabled. However, the deactivated user records are still searchable in IPS using Search MI Users function. Refer to section 6.6.

The screenshot shows the 'Personal Details' form in the PIDM Industry Portal. The form is divided into three tabs: 1. PERSONAL DETAILS, 2. CONTACT INFO, and 3. ACCESS RIGHT. The 'Personal Details' tab is active. The form contains the following fields:

- Email *
- Full Name * (Value: Hadzie)
- Designation * (Value: Senior Manager)
- Department (Value: Audit)
- Effective Date From * (Value: 05-Mar-2019)
- Effective Date To *
- Supporting Documents (List of documents: PIDM IPS V1.0 Deployment Guide_22072021_KSH.docx, AppointmentForm_23-Sep-2021 12_35 PM.pdf)
- Remarks (Value: RHB Bank Officer 1 test)
- User Status (Radio buttons: Active (selected), Inactive)

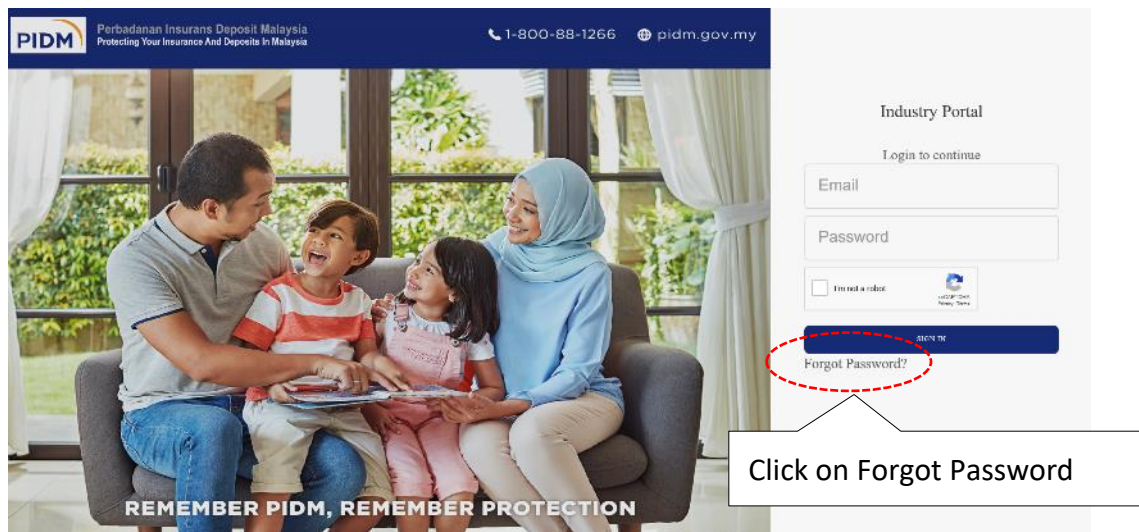

A callout box points to the 'Inactive' radio button with the instruction: "Set the User Status to 'Inactive' and click 'Submit'". The 'Submit' button is also circled in red.
